What financial help is available?

While there are some costs involved in completing an apprenticeship or traineeship, a range of financial assistance is available to help apprentices and trainees commence and complete their qualifications.

Financial incentives have been designed to ease cost-of-living expenses, help purchase 'tools of the trade', and help boost skills in priority occupations, as laid out in the [Australian Apprenticeships Priority List](#) (Priority List).

| Australian Apprentice Training Support Payment | ▼ |
| New Energy Apprentice Support Payment | ▼ |
| Australian Apprenticeship Support Loans | ▼ |
| Living Away From Home Allowance | ▼ |
| Low Income Health Care Card | ▼ |

For more information, please contact MEGT at 13 63 48 or visit:

<https://www.megt.com.au/apprentices-and-trainees/find-out-more-or-get-in-touch/what-financial-support-is-available>

Travel and Accommodation Allowance

The Department of Training and Workforce Development (DTWD) assists apprentices and trainees with travel and accommodation costs related to the completion of their off the job training component.

For enquiries relating to the TAA, or for support submitting your application, please contact

taa@dtwd.wa.gov.au

Additional financial assistance

Australian Apprentices may be eligible for income support through Youth Allowance, Austudy or ABSTUDY. More information is available from Centrelink on 13 36 33.

Low Income Health Care Card

As an apprentice or trainee, you may qualify for a Low Income Health Care Card which entitles you to cheaper prescription medicines under the Pharmaceutical Benefits Scheme (PBS).

For more information visit a Services Australia centre or contact them on the details below:
