ELECTRICAL GROUP TRAINING

EGT Application Interactive Checklist

Drivers Licence
A manual licence is preferred, however an automatic or provisional licence is acceptable.

Pre-apprenticeship or National Readiness Assessment (NRA)
Certificate II in Electrotechnology or Data and Voice. Other Certificate II courses are assessed on a case by case basis. If you don't have a Certificate II, a National Readiness Assessment is required.

Colour Vision test result
An Ishihara colour vision test is available from any optometrist. Please contact us if you receive a fail result for information about additional test options.

WACE
The National Award for the electrical industry lists a higher pay rate for those that attain a WACE and EGT must have a copy.

Covid Certificate
Minimum 2 x vaccinations required. If you are employed, a booster may be required for specific placements.

Police clearance
Required if you are over 18 years old and must be no more than 3 months old.

Drug screen
Requested upon your invitation to the EGT pre-employment session.

White Card
A white card is necessary for all construction sites in WA.

USI Number

Birth Certificate or Proof of residency
