

EQUIP-SAFE EQUIPMENT & SAFETY COURSES

EQS Orange Card (alternative to 'Yellow Card' training)

RIIHAN301E - Operate elevating work platform

Operate elevated work platforms up to 11 metres

OVERVIEW

Have you been asked to get a yellow card? The EQS Orange Card training is a nationally recognised alternative that provides you with nationally accredited training to operate mobile elevated work platforms (EWPs).

There are two training options available:

RIIHAN301E - Operate elevating work platform:

Orange Card Scissor Lift only

or

Operate elevated work platforms up to 11 metres:

Orange Card Scissor Lift & Boom Lift

- RIIHAN301E - Operate elevating work platform
- CPCCCM3001 - Operate elevated work platforms up to 11 metres

CONTENT

This comprehensive course offers instruction on operating an elevated work platform (EWP) and understanding of the potential risks involved in EWP use.

You will learn about checking for hazards and the appropriate control measures, set-up, pre- and post-start inspections, emergency response procedures, following manufacturer guidelines for safe operation, operating in confined areas, working at elevated heights, parking procedures, conducting post-work inspections, and maintaining the EWP log book including logging faults and checking maintenance requirements.
