COMPLETING THE TIMESHEET

- In this scenario, the apprentice requested **3 days** annual leave for Monday 8th, Tuesday 9th and Wednesday 10th **and returned to work on Thursday 11th.**
- Therefore, **a timesheet needs completing** for the remainder of that working week, **so the apprentice is paid correctly.**

- The system has noted the annual leave request for Monday, Tuesday and Wednesday, so these days will not appear on the timesheet.
- The apprentice should complete working details for Thursday and Friday (as per example above).
- **Save and submit timesheet, as normal.**

HOW DO I EDIT OR CANCEL ANNUAL LEAVE?

- If a leave request has been **submitted, but not approved**, the apprentice should contact their host (or the staff member who approves their leave requests) as soon as possible and ask them to reject the leave on the EGT Payroll and Timesheet Portal.
 - The request should then be available to view in the 'Rejected' Tab of the "Leave' menu. The apprentice can then modify or cancel the request via this section.
- If a leave request has **already been approved**, the apprentice will need to contact EGT Payroll to action any changes via email at timesheets@egt.net.au.
