

Safety Alert

81 – Test Before You Touch – Isolation Checklist

Date

2 December 2019

- 1 Follow the ABC:**
Assume nothing, Believe no one, Check everything
- 2 Complete your RAC daily and as tasks change**
- 3 Complete the IITT Isolation Checklist with a tradesman at all times:**

Test Before You Touch - Isolation Checklist		
Task	Checked	
Notify all concerned parties of pending isolation	✓	
Test tester on known live source	✓	
I IDENTIFY circuit or circuits to be isolated	✓	
I ISOLATE circuit or circuits (main switch where possible)	✓	
T Lock out and attach individual danger TAG	✓	
T TEST circuit to validate isolation	✓	
Re-test separated conductors for possible back feed	✓	

THE ONLY PERSON THAT IS GOING TO PROTECT YOURSELF IS YOU!
